

Features:

- With Intel N5095 processor;
- Eye protection, power saving, healthier;
- Dual memory, support hard disk expansion slot;
- High-definition screen, narrow frame design;

Product Specifications

Product series	Cloud Computing All-in-One Machine OX21U Series
CPU	Intel N5095
Chipset	Intel Jasper Lake SOC
Memory	4GB, single root supports up to 16GB
Storage	128GB M.2 SSD (NVME), maximum support 1TB
IO	Bottom: 4 x USB 3.2, 1xRJ45 (RTL8111H), 1xAudio out +1xMic in, 1xHDMI, 1 x COM Right: 2xUSB2.0, 1x 2-in-1 audio port; Left: 1 power switch button, screen brightness adjustment button
Others	Supports WIFI5/6, Bluetooth 5.0
Screen size	23.8 "
Screen type	IPS screen, LED backlight
Resolution	1920 x 1080
VESA	Support wall mounting, VESA standard: 100mmx100mm
Anti-theft	Support Kensington anti-theft lock
Featured function	Support power-on auto-start and remote wake-up
Power	Adapter: 120W
Machine size	541.5*405* 47.1 (mm)
Overall size (excluding base)	541.5*324.2* 47.1 (mm)
Work temperature	-10℃~50℃
Work humidity	10% RH ~ 90% RH (no condensation)
packing list	Complete machine (including base)*1, power adapter*1, power cord*1, product manual*1, certificate*1, warranty card*1
